**Re: Address Correction**

Dear Mr. Jones:

It has come to our attention there are two separate addresses being used for your building.

In order to ensure that your business will easily be found in case of emergency, it is important that your address be correct. Mountlake Terrace has a city-wide system for all addresses within its boundaries. It is required in the City of Mountlake Terrace that each commercial building uses one address and then each additional business would be either Suite 101 or 102. The address that is currently being used for the business of Samurai Karate Academy is 23104 55 Avenue West, Mountlake Terrace. The City will be changing this business to **5503 232 Street SW, Mountlake Terrace, WA.**

The agencies listed below will be notified by the City of Mountlake Terrace. The post office will deliver mail addressed either way for one year.

U.S. Post Office	Snohomish County Assessor's Office
Verizon Communications	Snocom 911 Police and Fire Dispatch
AT&T Cable Services	Edmonds School District
Puget Sound Energy	Mountlake Terrace Fire Marshal
Washington Natural Gas	Mountlake Terrace Utilities
Snohomish County PUD	Mountlake Terrace Police Department
Snohomish County E911	Mountlake Terrace Public Works
Snohomish County Auditor's Office, Elections	Waste Management
