Said easement being for the purpose of installing, constructing, operating, accessing, maintaining, removing, repairing, and replacing utilities, together with all connections, and appurtenances thereto, together with the right of ingress to and egress from said described property for the foregoing purposes.

The Grantor does hereby and the Grantee, by accepting and recording this easement, mutually covenant and agree as follows:

1. The Grantee shall, upon completion of any initial construction of any facilities described herein and before the termination of any above-described temporary construction easement, remove all debris and restore the surface of the above-described property as nearly as possible to the grade in which it existed, install topsoil if required and hydroseed the area of the above described surface, or restore the surface as agreed upon in writing.

UTILITY EASEMENT

2. The Grantee shall, if the above-described property is disturbed by the maintenance, removal, repair or replacement of the facilities specified herein, restore the surface of the above-described property as nearly as possible to the condition in which it existed at the commencement of said maintenance, removal, repair or replacement.

3. The Grantee does release, indemnify, and promise to defend and save harmless the Grantor, its officers, employees and agents from and against any and all liability, loss, damage, expense, actions, and claims, including costs and reasonable attorney's fees incurred by the Grantor, its officials, employees and agents in defenses thereof, asserting or arising directly or indirectly on account of or out of any act or omission of Grantee, its agents, contractors, licensees, invitee, or employees upon or within the above-described easement. This paragraph does not purport to indemnify the Grantor against liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the negligence of the Grantor, its officers, employees and agents.

4. All right, title and interest which may be used and enjoyed without interfering with the easement rights herein conveyed are reserved to the Grantor. The construction, installation or maintenance, after the date of this Agreement, however, of structures of a permanent nature

- (1) within the above-described permanent easement or within the temporary construction easement until such temporary construction easement shall have been terminated, or
- (2) outside the aforementioned easements but intruding into the easements so as to interfere with maintenance and repair of the utility

shall be deemed an encroachment with said easement rights and, as to such structures, the provisions of Paragraphs 1, 2 and 3 shall not apply; and, further, Grantors, Grantor's successors and assigns shall be obligated to remove said encroachments at Grantor's, Grantor's, successors' and assigns' expense.

5. Access to Grantor's property shall be maintained at all times during Grantee's installation.

6. The Grantor covenants to and with the Grantee that the Grantor is lawfully seized and possessed of the land aforesaid; has good and lawful right and power to sell and convey same.

7. The Utility Easement and the covenants, terms and conditions set forth herein are intended to and shall run with the real property and shall be binding upon Grantee and Grantor and their respective successors, heirs and assigns.
